

# HANDBAG

*fuchsia joy*

In the fall of last year, I bought a beautiful pair of fuchsia pumps to go with my jacket and glasses for the office. For the whole six months I wanted a handbag that would go well with this outfit. Especially when I ended up buying another outfit in this absolutely amazing color.

In the spring, I decided to try a new looping material from a new supplier. When I saw that the T-shirt yarn was also in fuchsia, the choice was clear :) Absolutely perfect to try. And on this year's vacation, I managed to finish the handbag.

How do you like it? Really me! I am absolutely thrilled with her.
